Level 5Sound Recording and Production		
Level 6Electronic Music		
Level 5 Orchestration & Transcription	Rease ensure that the options you sele	
Level 6Orchestration & Arrangement	meet your homenstitution's requirements.	
Level 6 Jazz Stylistic Composition	requirements.	
Level 6 Instrumental/Vocal Teaching		
Applied Skills		
Level 5 & 6 Alexander Technique		
Level 6 Aural in Professional Contexts		
Level 5 & 6Collaborative Piano		
Level 5 & 6 Chamber Music		
Level 5 & 6 Conducting		
Level 6 Historical Performance		
Level 5 & 6 Interpretation of Song (singers only)		
Level 6 Opera, Acting & Movement (singers only)		

Students will be developing skills in composing, arranging, orchestration and technology, as specifically applied to screen composition, and responding in a suitable and idiomatic manner on a music matrix level, with an understanding for common practice and stylistic trends. The content of supervisions is likely to cover film composition tutorials; basic sequencing, sampling; and hardisk recording, timecode synchronisation, and mixing.

ElectronicMusic (Option/Elective module) Level 6

This module will introduce you to, and familiarise you with some advanced hardware and software tools and their use for the production of electroacoustic compositions. You will develop an appreciation of the broader technical and aesthetic issues relating to electroacoustic music.

Orchestration and Transcription (Option/Elective module)

Level 5

In this module, you will gain working and practical knowledge of the main orchestral instruments, their range, technical strengths and limitations, their individual and timbral qualities. You will be applying this knowledge in terms of how instruments can work in combination with others. You will be recognising the basic techniques of transcription that enable the effective and idiomatic transfer of musical material from one instrumental medium to another; identifying differeds metho of scoring and beginning to imitate period orchestral style; and demonstrating the use of correct notational techniques, musical grammar and terminology.

Orchestration and Arrangement (Option/Elective module) Level 6

This module will concentrate on the orchestration of 20nd 21 st century scores. Student will be able to demonstrate a sound working and practical knowledge of the main orchestral and other instruments in terms of their ranges, technical

traditions, including jazz, popular music, folk and world music. Classes will include written and practical activities; short written or practical exercises may be set each week.

Collaborative Piano(Option/Elective module)

Level 5 and Level 6

At Level 5 this module will enable you to give an idiomatic performance with either a singer, instrumentalist or both. If ou wi to er(tto)-8 (.)w)3 ((am01), (t)-8 (0)-11.2 (u)-1.96 Tw 301 e439641 04w 8.3 0.1931 J 0 Tc 8 (04w5 Tw 26)-81 ep1.411 e4-9761

Historical Performance (Option/Elective module) Level 6

Several projects run over the Autumn Term, all delivered through a course of classes that culminate in an assessed performance. Projects usually culminate in a presentation class which is open to the public but not a formal concert and have included: French early 18th century repertoire; Baroque dance; Ornamentation and Cadenza Classes; Medieval Music; and Lute songPlease note: topics offered during the term can vary depending on availability of teachers.
