

DEGREE OUTCOMES STATEMENT

2023-24

SUMMARY

In May 2019, the UK Standing Committee for Quality Assessment (UKSCQA) published a [Statement of Intent](#) which instructed that institutions awarding degrees should publish a degree outcomes statement analysing their institutional degree classification profile and articulating results of an internal institutional review.

The statement should demonstrate how institutions meet the expectations of the Quality Code for Higher Education that relate to protecting the value of qualifications and the Office for Student Protection's ongoing conditions of registration on academic standards.

The College's degree outcomes statement focuses on final classifications for graduates on the College's undergraduate programme, the year Bachelor of Music Honours degree. This statement for 2023-24 reviews our progress returning pre-pandemic levels of firsts and 2:1 undergraduate degrees in line with [UUK's statement of July 2022](#).
